

This model template is brought to you by Nerfect.com and all around nice guy, Mr. Walters. When assembled, the model is of a cube-headed, long armed character. Nerfect.com and Mr. Walters give you permission to alter this model in anyway you choose (i.e. adding new graphics, new parts, etc.) as long as you include a credit Nerfect.com and Mr. Walters created the original base model. Have fun being creative, and make sure to send us a copy when you're done.
